I Love R&R: Demystifying the Resubmission Process

A Graduate Student Working Group on Qualitative Research event.

After finding a journal that is a good fit for your qualitative research article, it can be daunting to hear back from an editor that your article is close but not quite ready for publication. How do you respond to an R&R request? How do you keep an editor's notes in mind while also staying true to your research?

Dr. Sherrie Tucker, Professor in the Department of American studies, will discuss how to respond to a revise & resubmit invitation, answering these questions and more.

All graduate students involved in qualitative research are welcome to attend. Please email Christie Holland at christieh@ku.edu if you plan to attend.
